visit <http://www.fort-nathan-hale.org> for  
information and updates.

East Shore Day is a joint effort of the New Haven U.S. Coast Guard Station and Fort Nathan Hale. This year, the Coast Guard Station's annual open house and Opening Day Ceremonies for Fort Nathan Hales summer season coincide. This provides opportunities to participate in many exciting and educational activities while honoring those that have served to help American gain and maintain its freedom and safety.
